

When Plants Talk

Resources

Barbara Aspland-Wolf, [Garden Gate Herbals](#)

The following resources are books or articles that I have read or are currently reading. I offer them as places to go for a deeper understanding and study of plant communication. More information appears frequently, these are just a few of the amazing resources and studies available.

- [What Plants Talk About](#)-documentary
- [Thus Spoke the Plant](#) by Monica Gagliano, PhD
- [The Secret Teachings of Plants](#) by Stephen Harrod Buhner
- [Plant Spirit Healing](#) by Pam Montgomery
- [Plant Spirit Medicine](#) by Eliot Cowan
- [The Plant Messiah](#) by Carlos Magdalena
- [The Triumph of Seeds](#) by Thor Hanson
- [“Communication in Plants: Neuronal Aspects of Plant Life”](#) by Baluška F, Volkmann D, Mancuso S (2006)
- [Plant Pioneers](#)
- [Thinking Like a Plant: A Living Science for Life](#) by Craig Holdrege
- [Brilliant Green: The Surprising History and Science of Plant Intelligence](#) by Stefano Mancuso, Alessandra Viola
- Search Ted Talks and Plant Intelligence
- [MINT Lab for the Philosophy of Plant Neurobiology](#)
- [Charles Darwin](#) and work with plants
